

It is with great pleasure that the team at DOT Integrated Financial announces the creation of our newest division, DOT Integrated Financial Wealth Management Corp. By amalgamating DOT's existing expertise with the professionals of the former RGI Financial Services, this new division is extremely well positioned to deliver a comprehensive wealth management platform and is a natural fit that allows us to bring additional value added services to all of our clients.

DOT was founded in 1989 by Martin Shaw as a Group Benefits and Individual Life insurance solutions provider with a commitment to successfully achieving each of our clients' unique goals through the delivery of smart, customized plans. RGI is a personal financial planning boutique whose Partners have over eighty years of collective experience providing integrated investment planning solutions. Our combined resources and expertise will allow us to seamlessly deliver integrated financial plans for every stage of a person's life.

Our aim at DOT Integrated Financial is to be the trusted advisor that you turn to for all of your financial and insurance needs. What makes our Advisors distinct is that they are truly independent and select only the most suitable products to help you attain your goals. Our promise to you is that we will always remain unbiased and that the products and services we recommend will address your specific needs. We believe that our core values of independent advice and superior service positions our clients well ahead of the curve.

Our understanding of your dreams is what guides our disciplined performance and this will ensure that you achieve your specific financial objectives with fewer surprises. We will always be committed to protecting your assets through smart, integrated insurance and financial solutions and we believe that, together, we can create a wealth of possibility for your tomorrow.

We're extremely excited about these developments at DOT and we invite you to contact us to discuss how you can take advantage of our expertise. We also invite you to visit our website at www.dot-if.com for more information about our firm and its services.
